We offer this money saving program for athletes that participate in more than one sport during the school year (up to 3). This program is only available until August 2, 2024

**No refunds or enrollment after August 2, 2024**

To enroll, pick up an application (separate document) in the Athletic Office, or visit our athletics website at [www.calvarychapelathletics.com](http://www.calvarychapelathletics.com)

In order to enroll in High School athletics, you must create an account on [www.HOMECAMPUS.com](http://www.HOMECAMPUS.com) and complete the registration process online by the sport specific deadlines listed above. **The final step of the Athletic Clearance process is to print, sign and submit a hard copy of your Athletic Clearance Confirmation page to the Athletic Office for each individual sport that you plan on enrolling in.** If you fail to sign and return the following confirmation page, your child will not be allowed to participate with our sports teams in any fashion, and risk not being allowed to join the team.

If you have enrolled your child in the Universal Athletic Fee Program, your tuition account will be billed according to the plan that you chose on the Universal Athletic Fee Program Registration form. However, **you and your child must still sign and submit an Athletic Clearance confirmation page, for each individual sport that you plan on enrolling in.**

If you have any questions or concerns, please contact the Athletic Office by phone at
