Remember that all body types are different and dresses look different on different people. If you have any questions see Administration.

"To understand what constitutes modesty in dress is to examine the attitudes and intents of the heart. Those whose hearts are inclined toward **God** will make every effort to dress modestly, decently, and appropriately. Those whose hearts are inclined toward **self** will dress in a manner designed to draw attention to themselves with little or no regard for the consequences to themselves or others."
